

Bite[®] – designed to fit around your day

Bite[®] is a mobile storage unit that wraps around bench desking and workstations, providing not only capacious multi-functional storage, but creating a sense of personal space within the open plan working environment.

European Community Design Registration No. 000871066-0002
UK Patent Application No. 0800507.6

BISLEY

First choice for workplace storage

A multitude of features include an upper cantilevered secure compartment, a letter box for receiving mail and a lid which opens up to create a mini-screen that can be specified with a bulletin board or whiteboard. The upper and lower elements bridge the worksurface, providing space-efficient and ergonomically-sound storage immediately to hand.

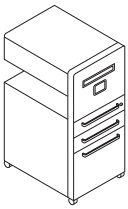

1. postal slot and business card holder
2. reversible soft closing lid
3. bulletin board or whiteboard
4. drop-in pen tray
5. medium drawer
6. intermediate drawer
7. filing drawer
8. castors (front items locking)
