## Wave Pedestal

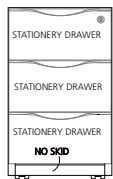

Stylish and strong, Wave is a range of Bisley pedestals featuring all the popular pedestal variants. Soft, sculptured lines and a distinctive integrated handle provide a flowing aesthetic specifically designed to complement modern desking applications... but the appeal of Wave pedestals goes deeper; innovative drawer front design hides a fail-safe drawer interlock and embedded drawer alignment for easy operation, whilst the latest manufacturing technology delivers a robust carcass.

Two carcass widths provide for forward-facing A4 suspension file storage or 'narrow footprint' side facing suspension filing. Skids or counterbalances are included automatically with mobile pedestals.

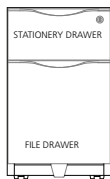

1. integrated handle design
2. 100% extension file drawers
3. optional drop-in pen tray
4. file drawer 'skid' for stability
