3643	A4 with 4 drawers Flush Front	1,321	413	622

Technical data sheet

BS Filing Cabinets

1. Label holder

2. BS lock and key

3. Filing drawer suitable for suspension filing

The BS cabinet is strong and quiet. Its fully-welded carcass makes it suitably robust, while roller bearing slides ensure ultimate ease of use; a 'positive closing device' allows the drawer to close with precision, from the lightest of touches. It comes in two, three, four and five-drawer versions and a choice of fronts – classic (with neat polished handle) or flush (with finger-pull action) in either A4 or Foolscap dimensions.

- Designed for suspension filing
- Fully welded carcass without bolts or rivets for greater strength and cleaner line
- Backs and sides are pierced to enable units to be bolted together
- Mastered lock with 200 differs
